**MSD Notice of Construction Completion
Streamwood Pump Station Elimination Sewer
In Green Township, Hamilton County, Ohio**

Cincinnati, June 11, 2007 - Managed by the Metropolitan Sewer District of Greater Cincinnati (MSD), the Bray-Arnsperger Excavating Co. completed the installation of the Streamwood Pump Station Elimination Sewer.

The project installed 1,100 feet of gravity sewer to replace an aging pump station in Green Township, Hamilton County, Ohio.

This project is part of MSD's ongoing Capital Improvement Program (CIP), which is focused on continually updating and improving the operation of MSD's wastewater collection and treatment systems.

Every day, the Metropolitan Sewer District of Greater Cincinnati (MSD) manages the effective collection and treatment of more than 200 million gallons of wastewater and actively maintains 3,000 miles of sanitary and combined sewers that run through the 49 municipalities and townships of Hamilton County. Owned by Hamilton County and operated by the City of Cincinnati, MSD is committed to continually maintaining and improving its wastewater collection and treatment systems for the betterment of both public and environmental health.
